

## PASTOR MIKE'S MOMENTS....

Welcome to Bellview on this beautiful Sunday! It's great to see you here on the Lord's Day for our time of Bible Study and Worship. As we gather for these special times, we are praying for the Spirit of the Lord to meet with us as well and to pull each of us closer to Jesus! Join us as we seek the Lord together this day.

We've been focusing on our church theme these past few weeks... "WALK IN HIM". Today, we will close this sermon series by looking at spiritual warfare. Did you know that as a Christian you are in a great conflict? Are you aware of your enemies and your weapons for fighting this war? Do you realize that YOU can be a WINNER every time in the spiritual conflicts of life? We'll zero in on these truths today as we learn a little more about walking in Jesus.

Our church's ministries continue to be used of God to touch others in Jesus' name. Our Food Pantry that opened yesterday assisted several families in our area. Last week our Outreach Teams knocked on at least 20 doors attempting to share the Gospel with others. The Student Ministry has focused upon current issues in order to train and to equip our teens in their efforts to influence their friends for Christ. Our children were recently encouraged and taught through our Children's Valentine's Party. Several of our adult Bible classes have recently held fellowships that have encouraged and strengthened those groups. There is ALWAYS some ministry going on in the life of our church family... thank God for an active and caring family of believers!

Thank you for lifting me in prayer as I go on mission the Philippines this next week. Some have provided money for Bibles and some have given generously to help me with my own costs. God bless each one who has agreed to be a prayer partner during my trip... these prayer partners will receive periodic updates while I am away. Keep our entire 13-man group in your prayers as we share the Gospel and then return on March 6.

Keep our Staff Search Team in your prayers as they work and pray to find God's man to come & help us with our Students and Children. This area of ministry is so vital to the future of Bellview... pray much!

Thanks for being here today.... Let's really pray for God's presence and power as we meet today and tonight. I'm so glad you're here... I love you.

— Pastor Mike
