Happy Mother's Day
Sunday, May 13th

A Message from Pastor Mike

We finally are beginning to experience SPRINGTIME in Western Kentucky. I saw a cute internet post recently which said something like "Spring has been unable to download"... I believe it! Yet, our great God knows exactly what we need when we need it. So let's keep trusting the Lord and enjoy the weather of each day that God gives!

As May dawns, we find good opportunities to serve Jesus and to involve others in God's kingdom work. I'm looking forward to the second-most attended worship service of the year on May 13—MOTHER'S DAY! This special time of honoring all mothers is a such a sweet time for us as a church family. Hey, Mom... why not ask your kids & grandkids for just ONE GIFT from them on Mother's Day. Ask them to sit with you in Church at Bellview! I believe this is another good way to be that influence God wants us to be... TRY IT!

We will be hosting another Deacon Ordination on Sunday night, May 20. We always get excited when God gives us more help in our deacon ministry! Please plan to be here for this special time as we "lay hands on" our newest deacon candidates and then enjoy a reception for them and their families.

Our Memorial Day Sunday Picnic will be INDOORS this year in the Fellowship Hall because we will move from the tables to the worship center for a special Memorial Day Concert by "Endless Highway". These folks were with us last year as "The Joylanders"... now renamed and under recording contract, the Wimberly's & the Griggs' families will bless our hearts with their multiple talents vocally and instrumentally. Plan to be a part of the unique evening together on May 27!

God continues to give us new members and many guests each week to worship with us. Let's do all we can to greet and to meet these special people... let's sit with them, get to know them, and let's encourage them as we have the opportunity. Thank God for those in our family who are given to this ministry of hospitality!

Remember to lift me in prayer as I spend time in Ethiopia on mission from May 28-June 9... I covet your prayers for safety and for spiritual victories. I'm thankful for every gesture of love and encouragement to me and to my family... I'm thankful to be your pastor. I love you!

-Pastor Mike

Music & Ed. Notes

The flowers appear on the earth; the time of the singing of birds is come, and the voice of the turtle is heard in our land. -Song of Solomon 2:12. We are to praise our Lord for what beautiful weather we have been given; even in the mist of a storm we should still praise him! These past few months we have seen new people join the choir and praise band! When you do see these members, please encourage them and let them know how much you appreciate them!

Hebrews 4:12 talks about the Word of God as quick, and powerful, and sharper than any two edged sword. Sunday School is a place for us to gather and dig deeper into the word of God! Who have you invited to come sit with you? Are you not proud to call Bellview home? Well, let us invite someone to come sit with you in Sunday School and show them what God is doing here at Bellview Baptist Church!

Student Ministry

I can tell it's getting closer to summer break for our students. You can tell by the excitement in their voices that it is almost here. During the summer months our Church is blessed by opportunities to reach out to our community and neighbors. One in particular that comes to mind is Vacation Bible School (VBS). This is a great chance for us, as a church, to love on our community kids and families.

We have a lot of community service project opportunities coming up, that will allow our students to serve and connect with the community on a more personal level. I pray that through this, and Summer Camp, that our students will gain a relationship with Christ or move closer to God than they have before. Summer Camp is a time to get away from the world and reflect on what God can and has done for us. Bro. Ronnie Coleman will be the Camp Pastor for the week so be much in prayer for him as he prepares to share the gospel with Students.

As we move towards summer please be in continual prayer for our Student Ministry. Pray for the Students who are promoting up to the youth that they will transition well and also come to know God more than they ever thought could be possible. Pray as we move into Summer Camp season that there will be students who make a life changing decision to become a Christian. Also, pray for the ones who are searching and looking for what God has in store for their future and which direction He would have them to go.
