# Pastor Bob's Message

When you first think of the Fourth of July, a.k.a. Independence Day, flashes of bright fireworks, huge parades full of patriotic cheer, grills sizzling with burgers, and red, white, and blue drinks may come to mind. Although these fun and festive traditions are certainly part of the American tradition and a major summer holiday. It is imperative to reflect on the history behind the 4th of July and honor those who sacrificed their lives for the country. One meaningful way for me to remember the importance of this wonderful day is to remember its history.

While the 4th of July only became a federal holiday in 1941, its history stems back to July 1776, when America adopted the Declaration of Independence. Over the centuries since this historical day in American history, presidents, politicians, and authors have spoken about what it means to be American. July 4th is a day to celebrate with a summer cookout filled with patriotic songs, looking at family photos of years past. Especially looking at photos of family and friends who have served our country during peace and war. We need to spend time in prayer and taking a moment to honor those who have fought for freedom and given the ultimate sacrifice. Fireworks and grilled food are fun; however, have you ever thought about the men and women who had gunfire above their heads? We sometimes take our freedom for granted! See this holiday has a bloody past. One that has brought many sorrowful messages to mothers, fathers, wives, husbands, and children. I love what Korean War veteran and purple heart recipient Howard William stated "All gave some, some gave all." To fully understand this quote, one must understand what he was thinking about. See He served in a bloody battle while serving in the Army. He served from 1951 to 1953, during which he experienced heavy combat in Korea with his unit, the C Company, 5th Regimental Combat Team. He understands firsthand the actual price of freedom!

Let us take a real moment in prayer this year and thank God the Father for keeping America safe and remember all the men and women you gave part of their lives protecting us.

# Bro. Bill's Message

Beth and I are excited to be a part of Bellview family! As we are still in transition from Princeton to Paducah, we are praying for the sale of our house to go through soon as well as finding a new home in Paducah. God is faithful and we ask you to pray for this transition. Speaking of transitions, we would love for you to either transition back or transition for the first time to Choir. We are already having a great time together and making music that hopefully is meaningful to all of us and especially the Lord.

Also, if you play an instrument, sing, or do interpretive movement; whatever talent God has given you , we would love for you to share that talent with us. Just contact me and we will talk. Most of all, please pray, as we are to find a place in this church and be involved. The Church is a family and it is so much more meaningful when we are "all in!"

I am so looking forward to getting to know all of you in time. After all, we are family!

Worship Pastor, Bill
